STRATEGIC PLAN OVERVIEW

ARTS VISION

- We will write and implement a dance curriculum to be offered to all students.
- We will write and implement a theatre curriculum to be offered to all students.
- All teachers, both arts and other academics, attend arts learning opportunities and share learned practices to enrich the arts.
- We will have a dedicated rehearsal and performance area for the arts.
- Students will experience and learn from the arts through interactions with peers, arts professionals, and their community.

ARTS MISSION

To provide our students with quality integrated learning experiences through the visual and performing arts.

ARTS GOALS

- We will provide a high quality, comprehensive, sequential, standards-based curriculum in dance, music, theatre, and visual arts for the students.
- We will provide adequate facilities and improve the effectiveness of the visual and performing arts classrooms.
- We will provide visual and performing arts professional learning opportunities for teachers, administrators, and support staff.
- We will promote a positive relationship with the visual and performing arts through advocacy and support of the arts

POINTS OF PRIDE

- Our annual Spring Musical, which involves all students, is always a big success. It is a great way to showcase the skills and talents of our students.
- Parent Engagement at our school is a way for our school to involve our parents in the arts. This year's Family Reading Night allowed parents and students to create their own comics and masks.
- Artists in Residence are an important way that we further connect the arts with our students.
