STRATEGIC PLAN OVERVIEW

ARTS MISSION

We cultivate an appreciation of the arts through an integrated curriculum that promotes innovation, imagination and creativity for all students, empowering them to become future practicing Arts professionals or intelligent consumers of the Arts.

ARTS VISION

We believe that the Arts are an integral part of our lives, therefore we foster a culture of appreciation for the Arts at AC Moore by integrating across the curriculum to promote artistic growth, with the intent that our students leave us with the need and desire to make the Arts an essential part of their daily lives.

ARTS GOALS

- Promote the Arts and AC Moore at a local and state level & communicate with the faculty, parents and the community.
- Develop a plan to fully implement an arts integration/infusion curriculum in the school.
- Provide standards-based arts programs that include dance, music, theatre, visual art and creative writing.
- Create school partnerships with the community, local artists and arts groups.
- Develop and implement a master plan to guide the improvement of the school facility.
