MISSION, VISION & GOALS

ARTS MISSION

League Academy is committed to providing high-quality, equitable arts experiences for all students in collaboration with the academic classrooms, home, and community.

ARTS VISION

League Academy of Communication Arts will position itself as a leader and a resource to other schools and communities in the areas of arts education and arts integration while increasing the quality and the reach of the ways that we serve our school and our community in the arts.

ARTS GOALS

- To be a leader and resource in arts education and arts integration in service to other schools and communities.
- To increase the quality and the reach of the ways that we serve our school and community in both arts education and arts integration.
- To increase student achievement through the four areas of focus for Schools to Watch.
- To provide staff development focused on the student-centered learning environment through arts integration in order to increase student achievement in the arts.
