MISSION, VISION & GOALS

ARTS MISSION

To ensure that the individuals we serve realize maximum success through high quality arts and arts integrated education programs, arts outreach service, and arts partnerships. We believe that:

1. Art is a form of expression that knows no disability.
2. The Arts are an essential part of a quality education.
3. Arts infused curriculum provides the opportunity to combine physical, intellectual, and emotional skills encompassing the multiple intelligences while encouraging diversity to achieve the most comprehensive education.
4. Integrating the Arts into every academic subject addresses the various learning styles of a diverse population of students ultimately adding a more profound understanding of the content.

ARTS VISION

To be the statewide leader in arts education and accessibility for individuals who are deaf, blind or sensory multi-disabled.

ARTS GOALS

- The fine arts program at SCSDb will be a critical part of the agency's overall district plan and the updated Strategic Plan approved by SCSDb Board.
- To provide adequate facilities and resources for instruction, events, and residencies.
- To develop relationships with arts organizations and Higher Education organizations across SC for expanded student opportunities in the arts.
