STRATEGIC PLAN OVERVIEW

ARTS VISION

A culturally accepting school community in which:

- Greater community & stakeholders build on a positive relationship with the school and the arts programs.
- Students are recognized and celebrated for their achievements in and through the arts.
- Arts standards and vocabulary are utilized in order to make connections and strengthen achievement.
- All staff attend arts integration learning opportunities and share their learning experiences.
- Outdoor amphitheater is utilized for performances.
- All Arts classes have sufficient materials and equipment to support curriculum needs.

ARTS MISSION

To guide, prepare, and engage learners to succeed academically, artistically, and technologically for the future they create.

ARTS GOALS

- To maintain and improve a comprehensive VPA program aligned with SC College & Career-Ready Standards for VPA Proficiency.
- To strengthen academic achievement through an Arts-Integrated Curriculum.
- To increase Advanced Arts opportunities for Artistically gifted & highly interested students.
- To establish, through advocacy and education, a positive relationship with the VPA and community and to improve upon facilities an equipment.

POINTS OF PRIDE

- Arts classes offered for each grade level include: Band, Orchestra, General Music/Guitar, Dance, Drama, and Visual Art.
- Annual Musical Theatre production and regular Performing Arts concerts.
- Arts Integration professional development is provided for all staff throughout the school year.
- Guests Artists are involved in on-campus residencies throughout each school year.
