## STRATEGIC PLAN OVERVIEW

### ARTS VISION

We envision that Hilton Head Island Elementary School for the Creative Arts is committed to empowering all learners by providing a rigorous, personalized, standards based Arts infused education in a safe, properly maintained, and nurturing environment.

### ARTS MISSION

Nurture creativity and innovation through an arts integrated education. Our school is a safe and supportive environment where every child is a masterpiece and a conductor of their destination of learning. Our students are on the railroad to success by riding the TRAIN:

T: Thinking creatively

R: Reflecting through and using the arts

A: Accessing arts opportunities

I: Innovating instruction for personalized learning

N: Nurturing student creativity and expression

### ARTS GOALS

- "Coupling the Arts and Academics" (Arts Integrating Teaching and Learning) will empower teachers through intentional and sequential collaboration between related arts teachers and classroom teachers in order to design art integrated lessons through project based units.
- "Roundhouse for Teachers" provides teachers arts and arts integration materials and teaching strategies. Creating equal opportunities will give students a deeper understanding of academics through the arts.
