## STRATEGIC PLAN OVERVIEW

### ARTS VISION

- We will write and implement a dance curriculum to be offered to all students.
- We will write and implement a theatre curriculum to be offered to all students.
- All teachers, both arts and other academics, attend arts learning opportunities and share learned practices to enrich the arts.
- We will have a dedicated rehearsal and performance area for the arts.
- Students will experience and learn from the arts through interactions with peers, arts professionals, and their community.

### ARTS MISSION

To provide our students with quality integrated learning experiences through the visual and performing arts.

### ARTS GOALS

- We will provide a high quality, comprehensive, sequential, standards-based curriculum in dance, music, theatre, and visual arts for the students.
- We will provide adequate facilities and improve the effectiveness of the visual and performing arts classrooms.
- We will provide visual and performing arts professional learning opportunities for teachers, administrators, and support staff.
- We will promote a positive relationship with the visual and performing arts through advocacy and support of the arts

## POINTS OF PRIDE

- Our annual Spring Musical, which involves all students, is always a big success. It is a great way to showcase the skills and talents of our students.
- Parent Engagement at our school is a way for our school to involve our parents in the arts. This year's Family Reading Night allowed parents and students to create their own comics and masks.
- Artists in Residence are an important way that we further connect the arts with our students.
