STRATEGIC PLAN OVERVIEW

ARTS VISION

- Return to a place of leadership in delivering a high quality arts-based education in Beaufort County.
- Collaborate regularly to develop and deliver instruction that effectively achieves evolving objectives.
- A professional library of arts and art integrated resources will be provided for all teachers.
- Art facilities will be upgraded in an ongoing manner in order to achieve our leadership vision.
- Equip with resources, materials, and availability of experiences and community resources to achieve goals.
- School and community will positively impact each other; support & articulation among feeder schools.
- Local, state, and regional staff development will be provided on a consistent basis.

ARTS MISSION

We provide an arts-enriched curriculum that encourages self-motivation, responsibility, inquiry, exploration, creativity, collaboration, and discovery in order that each student has the tools necessary to become a lifelong learner.

ARTS GOALS

- Improve student achievement in the arts through curriculum, instruction, & assessment based on the 2017 SC College & Career Ready VPA Standards.
- Quality, comprehensive, sequential arts program in dance, music, theater, & visual arts for students.
- Provide adequate facilities.
