ARTS MISSION

The study of fine arts, through its inherent ability to develop intellectual and emotional communication skills, encourages cultural awareness and enriches society. The Dorchester District Two fine arts curriculum provides opportunities for students to attain the knowledge and skills necessary to become artistically literate, well-round individuals.

ARTS GOALS

- Provide professional development opportunities by incorporating arts infused curriculum for all teachers.
- Immerse students in multiple fine arts opportunities and experiences throughout the year to build a strong, and diverse fine arts skill set.
- Support and promote arts education and appreciation in the community.

POINTS OF PRIDE

- Core Arts Program: 4th-5th-grade students select a fine arts focus each semester, participate in that discipline nearly every day, culminating in performance-based showcases.

- Awards & Recognition: Recipient of the John F. Kennedy Center for the Performing Arts National Schools of Distinction in Arts Education Award (2009).
