STRATEGIC PLAN OVERVIEW

ARTS VISION
Our vision is to be a model arts integrated school by:

1. Providing multiple opportunities for students in fine arts programs (music, dance, drama, visual, creative writing)
2. Participating at a high level of student achievement as a result of lessons that have meaningful connections between the arts and other subject areas
3. Producing quality authentic student work that reflects connections among the arts and other subject areas
4. Enhancing strong community relationships through the arts

ARTS MISSION
The Fine Arts mission of LMS is to educate students through engaging learning that integrates the arts.

ARTS GOALS
- To increase the quality of instruction by providing Arts integration into the core classroom instruction.
- To increase student learning in standards based arts education.
- To increase awareness of student participation and success in the arts.

POINTS OF PRIDE

- Artists in Residence program
- Showcases and performances highlighting student work and engaging the community
- Arts integration
- Our music and art departments participate in competitions, such as Lions Club Peace Posters, county and regional bands, parades, concerts and more throughout the school year
- Student artwork is used to create sellable Christmas Cards and Calendars
- 2026 PSAE School of Excellence in Art Education
