STRATEGIC PLAN OVERVIEW

ARTS VISION

The Fine Arts Center commits to the continual growth of our students by providing unique, unparalleled opportunities to:

- Advance within their disciplines and across other disciplines to create progressive learning experiences
- Practice their craft in contemporary facilities that meet or exceed industry standards
- Extend themselves through challenging curriculum delivered by practicing artist-teachers who are experts in their field
- Enhance their educational experience by engaging with nationally and internationally recognized visiting artists
- Transform themselves into confident artists and compassionate citizens

ARTS MISSION

Preparing dedicated students for 21st-century careers through rigorous, pre-professional arts training in a dynamic, inclusive, collaborative learning community.

ARTS GOALS

1. Professional Learning
2. Curriculum, Instruction, Assessment
3. Programming
4. Facilities
5. Community Impact

POINTS OF PRIDE

- South Carolina's first public arts high school; tuition-free pre-professional education provided by a faculty of teaching artists.
- FAC seniors annually receive over 10 million dollars in scholarship offers; we value teachability and tenacity over talent.
- Named an Arts Schools Network Exemplary School.
- New summer arts program for students from title one schools, funded by a large grant from Greenville women's giving.
- 3 students have earned perfect scores in AP studio arts and AP theory since 2021.
