ABC CERTIFIED SCHOOL

STRATEGIC PLAN OVERVIEW

ARTS VISION

To provide our students with Fine Arts opportunities in a variety of forms and cultures, to enhance instruction and collaboration through the Arts, and to foster an environment that provides world class knowledge to grow holistic children.

ARTS MISSION

To foster creative thinking through diversified curriculum, authentic artistic experiences and explorations, and a positive environment that makes learning accessible for all students, fosters student achievement and creates lifelong learners.

ARTS GOALS

- To provide a quality comprehensive arts education to ALL students during the school day.
- To enrich students arts experiences with extra curricular activities including band and after school clubs.
- To provide our students with diverse and authentic residencies and performances.
- To provide our staff professional development in the arts.
