STRATEGIC PLAN OVERVIEW

ARTS VISION

Students at Hendrix Elementary IB World School experience a wide range of artistic pursuits through the visual arts, performing arts, and literary arts.

ARTS MISSION

The faculty and staff at Hendrix IB World School foster a community of learners through inquiry, providing safe, culturally rich artistic experiences. These opportunities develop students' critical thinking, self-expression, and appreciation for creativity, preparing them to navigate challenges thoughtfully and make purposeful choices.

ARTS GOALS

- To increase professional development opportunities for teachers with an arts focus.
- To increase artistic opportunities for students beyond the normal arts classes.
- To engage community partnerships and cultivate community resources.
