STRATEGIC PLAN OVERVIEW

ARTS VISION

The vision of Howe Hall Arts Infused Magnet School is to endlessly advance as a model of arts infusion that is dedicated to rigorous standards, artistic collaboration, and producing world-class knowledgeable South Carolina graduates.

ARTS MISSION

The mission of Howe Hall Arts Infused Magnet School is to provide dynamic learning with quality arts experiences as an essential component of the curriculum that will optimize student achievement and develop lifelong learners who demonstrate integrity, perseverance and a global perspective.

ARTS GOALS

To expand and improve:

- Artist in Residency Programs to include pre/post standards based assessments, home-school communication, as well as to provide indirect professional development for other schools and arts organizations
- standards based arts planning and assessment through partnerships with the South Carolina Arts Assessment Program and the University of South Carolina.
- Professional Development opportunities through both school based and local arts events, to increase faculty comfort, knowledge, exposure, confidence and advocacy in the arts.
