## POINTS OF PRIDE

The way the arts provide a voice for each and every student at Nursery Road Elementary School Arts Magnet, in whatever capacity or subject they are engaged in, is a huge point of pride for us. Whether it lives in an engaging arts integrated lesson, on stage during the Winter Show, participating in an Academic Arts music class, performing a dance routine for our community, building a flat as a carpenter in the opera, or creating a piece of pottery that will be glazed and fired, it remains the same...every child is able to find their own beautiful voice.
