STRATEGIC PLAN OVERVIEW

ARTS VISION

The vision of O. P. Earle's Visual and Performing Arts program is to provide a high quality, extensive arts instruction for every student to foster innovation, creativity and collaboration.

ARTS MISSION

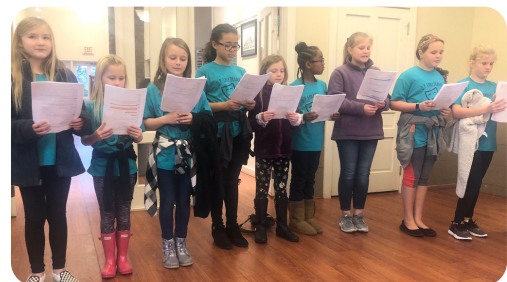

The mission of the Visual and Performing Arts program is to maximize student potential through a quality, student-centered arts education; One Community, One Purpose, Every Child.

ARTS GOALS

- To continue to grow and develop extensive fine arts programs
- Update school walls and facilities to create appropriate performance venues and Collaborative Grade Level Hallways.
- Develop school culture to foster arts integration across the curriculum.
- Utilize available space within the school to allow more exploratory arts-integrated lessons

POINTS OF PRIDE

- Student Arts Shows within the Community
- School Wide Fine Arts Night
- Community Outreach
