

Arts Integration at Rosewood

2025-26

A group of pre-service teachers are seated at tables in a classroom, listening to a presentation. A teacher stands on the left, pointing to a whiteboard that displays a colorful sun graphic with the text "Have A Great Day!". The room has large windows on the right side, offering a view of a brick building and greenery outside. The text "USC elementary education Pre-service teachers visit our campus" is overlaid on the right side of the image.
